Hongqi HS7

Luxury C-Class SUV

Please note: All information presented are based on data available at the time of creation (January 2021), and are subject to change without prior notice.

ENCIRCLED CENTRAL CONSOLE

Encircled design of the central console with the driver as the center, together with an aluminum decoration strip running through like a wing-stretching eagle, showcases the noble grace with dynamic posture.

SUPER-LARGE PANORAMIC SUNROOF

710 mm x 1238 mm super-large panoramic sunroof for transparent space and infinite enjoyment.

STABLE BODY SYSTEM

With CDC variable damping system and air suspension control technology, the vehicle is automatically adjusted to road conditions or load to stabilize the body on a single horizontal line for calm and comfortable experiences.

EXCLUSIVE OFF-ROAD MODE

Constant breakthroughs with professional off-road performance powered by the TCS all-wheel power control technology exclusively customized by Bosh.

INTERIOR TRIM

With world-class Nappa leather and solid wood decoration for the seats and chamois leather for roof liner, a flagship luxury space is presented to you.

TRIPLE ZONE CLIMATE

Triple zone climate control with independent A/C for driver's seat, front passenger seat's and back seat coordinates with inner air purification system to create natural and fresh inner environment for you.

BLIND SPOT WARNING SYSTEM

Rear blind spot warning system warns the driver through display on the instrument panel and highlighted rearview mirror icon, guarding your journey in all dimensions.

AUTOMATIC BRAKING

Industry-leading active brake system detects distance from front vehicle (or pedestrian) in real time and initiate automatic brake to prevent imminent collision to ensure safety when the vehicle runs at a speed less than 80km/h.

BACKSEAT INFOTAINMENT SYSTEM

Start your life of fun with double 10.1-inch HD touch displays that integrate music, video, connection and many other entertainment functions.

BOSE 5.1 AUDIO SYSTEM

14 high quality BOSE speakers are equipped around the cabin to express sound details with fidelity and create immersive acoustic enjoyment inside the vehicle.

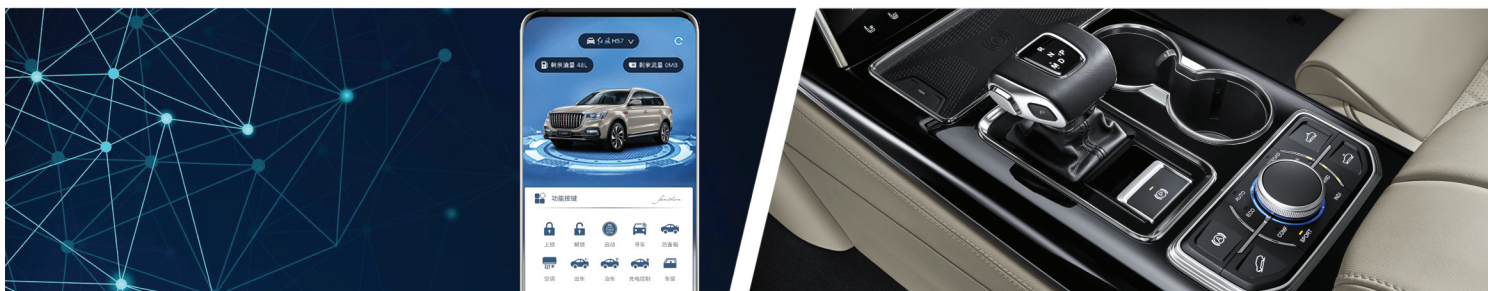

AUTO PARKING

Vertical, horizontal and slant parking modes at your choosing for easy parking.

SACC ASSISTANCE

When the vehicle travels under 150km/h, SACC system may automatically accelerate, decelerate and follow in accordance with real time road conditions to cope with long distance and fatigue driving.

PHONE CONNECTION

With remote vehicle control, one-click vehicle examination, online maintenance and other services can be achieved easily through Hongqi mobile phone connection system.

8 DRIVING MODES

8 driving modes for all road conditions, easy solution to difficult terrains at your choosing.

POWERFUL ENGINE

High-performance 3.0T V6 mechanic supercharged engine takes only 7.8s to accelerate to 100 km/h, giving you the thrill of instant transformation from stillness to movement.

8-SPEED AMT

New generation of 8-speed AMT for comfortable driving experience and excellent fuel economy.
